All information in this publication is subject to change without notice.

www.forsythtech.edu
admissions@forsyth.cc.nc.us

Substantial effort has been made to ensure the maximum accuracy of this information. Forsyth Tech cannot and does not guarantee the correctness of all the information, nor the complete absence of errors and/or omissions.

The STUDENT GOVERNMENT COUNCIL welcomes you to Forsyth Technical Community College.

We also welcome you to membership in the Student Government Council (SGC). All curriculum students pay the \$9.00 student activity fee when they register and automatically become members of Forsyth Tech's Student Government Association (SGA).

For more information concerning the SGC, see pages 23 through 27 and the back cover.

Did you know that your STUDENT ACTIVITY FEES pay for all this?

Graduation Expenses are partially covered

- It costs over \$25 per student to hold a graduation ceremony. Currently, students pay only a graduation fee of \$10 for each diploma received.

Student Activities and Entertainment

- Fall Festival
- Spring Fling
- Martin Luther King, Jr. Celebration
- Night Student Appreciation

Student Publications

- Student Handbook
- *Technically Speaking* (student newspaper)

Equipment and Registration Fees

- Men's Basketball
- Coed Cheerleading
- Women's Volleyball
- Women's Fastpitch Softball

Student Government Association Expenses

- Student Activities
- Supervisor's Salary
- Student Activities
- Secretary's Salary
- Supplies & Materials for the Student Activities Center
- All SGA Printing Expenses

Student Government Council Conferences

- Forsyth Tech is a member of the North Carolina Comprehensive Community College (N4C) Student Government Association. The N4CSGA offers two conferences each year. These conferences offer workshops and seminars to prepare students to lead the SGA on their campuses.

POINT ME IN THE RIGHT DIRECTION

Academic Questions

Where do I go if I:

Who to See	Where to Go	Phone
need to determine my academic standing?	Records Office	Allman Center, Room 106, MC7472
want to audit a course?	Academic Advisor	
can't start a course as assigned?	Course Instructor	
want to take a continuing education course?	Customer Service Center	South Lobby, WC761-1002
want to change curriculums?	Admissions Office	Allman Center, Room 123, MC7253
have a concern about a course grade?	Academic Dean	
need my grade point refueled?	Academic Advisor	
need to determine if I meet graduation requirements?	Academic Advisor	
need an intent to graduate form?	Student Data Support Services	Allman Center, Room 111, MC7314
am having problems with my classes?	Student Data Support Services	Allman Center, Room 111, MC7314
have questions about academic probation?	Counseling Center	Allman Center, Room 164, MC7226
	Academic Advisor or	
	Counseling Center	Allman Center, Room 164, MC7226
want to take a proficiency test?	Academic Advisor	
want a transcript of my grades?	Records Office	Allman Center, Room 106, MC7472
need tutoring?	Learning Center	Ardmore Hall, Room 143, MC7365
want to withdraw from a course or from school?	Counseling Center or	Allman Center, Room 164, MC7226
	Records Office	Allman Center, Room 106, MC7472

Financial Questions

Where do I go if I:

need financial aid?	Student Financial Services	Allman Center, Room 148, MC7235
need financial assistance for child care?	Women's Resource Center	Hauser Hall, Room 206, MC7280
want to apply for a scholarship?	Student Financial Service	Allman Center, Room 148, MC7235
want to apply for a tuition refund?	Records Office	Allman Center, Room 106, MC7472
need help in getting my veteran's benefits?	Student Financial Services	Allman Center, Room 148, MC7235
have questions about my tuition refund?	Cashier's Office	Allman Center, 2 nd Floor, MC7210

Other Student Questions

Where do I go if I:

want to get involved in campus activities or run for a SGA office?	Student Activities Center	Snyder Hall, Room 6002, MC7326
have a question about campus security?	Public Safety	Carolina Annex, MC7243
need to report a change of name or address?	Records Office	Allman Center, Room 106, MC7472
need help in choosing a career?	Counseling Center	Allman Center, Room 164, MC7226
need tips on interviewing, finding a job, and preparing a resume?	Employment Assistance Center	Allman Center, Room 150, MC7206
locked my keys in my car?	Public Safety	Carolina Annex, MC7243
need special help due to a disability?	Testing Center	Allman Center, Room 133, MC7324
need information about housing?	Counseling Center	Allman Center, Room 164, MC7226
need first aid?	Public Safety	Carolina Annex, MC7243
want to see the job listings?	Employment Assistance Center	Allman Center, Room 150, MC7206
lost or found something on campus?	Information Desk	Allman Center, 1 st Floor, MC7448
	Public Safety	Carolina Annex, MC7243
	Customer Service Center	South Lobby, WC761-1002
	See College Catalog	
need definition of college terminology?	Admissions Office	Allman Center, Room 123, MC7253
want to appeal a Forsyth Tech parking ticket?	Public Safety	Carolina Annex, MC7243
want to pay a Forsyth Tech parking ticket?	Cashier's Office	Allman Center, 2 nd Floor, MC7210
need help with a personal problem?	Counseling Center	Allman Center, Room 164, MC7226
want to appeal my residency status?	Admissions Office	Allman Center, Room 123, MC7253
need help from an outside agency?	Women's Resource Center or	Hauser Hall, Room 206, MC7280
	Counseling Center or	Allman Center, Room 164, MC7226
	Minority Male Mentoring Program	Allman Center, Room 419, MC7521

MISSION

Forsyth Technical Community College is a comprehensive community college providing technical, transfer, adult basic education, corporate and continuing education programs, and support services that are innovative, flexible, and responsive to student and community needs. The college offers lifelong learning opportunities and support for diverse learners through both traditional and alternative delivery systems. The college also supports economic growth and opportunity through work force development and community development through partnerships with public and private sectors. Graduates of Forsyth Tech are technically skilled, regionally and globally oriented, and prepared for lifelong learning and full civic participation.

STATEMENT OF VALUES

The community of students, faculty, and staff of Forsyth Technical Community College is committed to these values:

We value our students, hold high expectations of them, and are ceaselessly committed to helping them meet their goals.

We are a learner-centered college providing a variety of quality learning opportunities tailored to student and community needs.

We recognize the impact of ongoing technological change on the educational process and on the lives of our students, and embrace this change in our college community.

We are committed to building the community we serve to make it a better place to live.

We value a work environment characterized by mutual respect, and demand of ourselves the highest competence, trust, and integrity.

ADMISSIONS

Transfer Credit

Applicants who have attended other post-secondary institutions may transfer credits in courses comparable in content, objective, quality, and credit hours to those offered at Forsyth Tech. When granting a transfer credit is in question, the student may be asked for supporting documentation such as a course description or course syllabus.

For accepted students, Forsyth Tech evaluates transfer credit for equivalent courses with the grade of C or better from member institutions of the North Carolina Community College System and other post-secondary institutions accredited by a regional accrediting association. Courses taken on a pass/fail basis will be considered only after receiving (in writing) the requirements necessary to receive a passing grade. The college transfer technician, the associate dean of enrollment management, and the appropriate dean in consultation with the appropriate department chairperson will make the final decision on the transfer of credit for questionable courses. A written evaluation will be sent to the student.

Credits transferred from other schools will be reflected on students' transcripts as hours earned and will not be used in the computation of grade point averages. A grade of TR will be given to show that the course was transferred from another college.

Many courses with technical or skill content have time limitations on the acceptance of transfer credit. This includes credits earned at Forsyth Tech, as well as at other institutions. Generally, courses in this classification taken more than five years before entry into Forsyth Tech cannot be considered for transfer purposes. The department chairperson responsible for the program of study determines the specific time limitations. Inquiries concerning transfer credits granted must be made to the college transfer technician in the Admissions Office during the student's first semester of enrollment. If a student is dissatisfied with the transfer credit granted, he/she should send a written request for re-evaluation to the associate dean of enrollment management. After consulting with the division dean, the associate dean of enrollment management will notify the student of the final decision on transfer credit to be granted.

ACADEMICS

Academic Advising

Forsyth Tech has an advisor/advisee program that is designed to provide a more personal atmosphere for the student and to increase communication between students and faculty. Each student is assigned an academic advisor who provides information related to program content, course content and prerequisite requirements, graduation requirements, and general information. Academic advisors assist in course planning and scheduling and also make referrals for personal counseling, financial aid counseling, or academic tutoring.

All students are required to meet with an academic advisor prior to registration or during the registration period. The purpose of this meeting is to ensure that course selection is appropriate for the student's educational goals and skill levels. Registration cards are to be signed by the student's academic advisor.

Registration

Forsyth Tech operates on the semester system. Fall and spring semesters are 16 weeks, and the summer term is 10 weeks. Some courses are offered on an eight-week or other alternative schedule during fall and spring semesters and summer term. In addition, upcoming registration and prepayment dates for currently enrolled students are posted during the latter part of each semester.

On registration days, as published in the class schedule, all approved students may see their academic advisor and register for classes for that semester. Academic advisors are on campus to assist students with the registration process, and the Cashier's Office is open to accept tuition and fees. Students may register for, or drop courses, on these days.

Grade Reports and Transcripts

Students' grade reports are mailed after the end of each semester. The report includes the semester hour credits and the grade point average (GPA) earned, and the cumulative GPA for the semester.

Transcripts reflecting students' complete academic record at Forsyth Tech, are maintained in the Records Office. Students may come to the office and complete a **Transcript Release Form**, or they may write a letter stating the name or names under which they attended the college, their social security number, the years they attended, and where the transcript should be sent. Official

transcripts are sent directly to employers, educational institutions, etc. Transcripts issued to students are unofficial and indicate that they were issued to the student. While an official transcript in a sealed envelope may be issued to students, the transcript will note this procedure, and any receiving party will determine its acceptance as official. Students must pay a charge of \$2 for each transcript.

Transcripts from other schools and other documents or forms that Forsyth Tech has on file are not released, copied, or returned to the student.

A student's record may be sealed from the student's review and closed for purposes of re-admission and grade posting due to financial debt to the college or litigation involving the student and the college. Inquiries regarding sealed records should be directed to the Records Office. Transcripts will not be issued as long as the file remains sealed.

Graduation Requirements

To be eligible for graduation, students must complete all the courses and credit hours required in programs of study with a cumulative grade point average (GPA) of 2.0. In addition, students must have received a passing grade in courses in their curriculum.

A candidate for an associate's degree must complete at least 20 semester hours of credit at Forsyth Tech, with a minimum of 10 semester hours of credit in their major area. A candidate for a diploma must complete at least 10 semester hours of credit at Forsyth Tech, with a minimum of 8 semester hours of credit in their major area. Candidates for a certificate of completion must complete a minimum of 25 percent of their required course work at Forsyth Tech. These requirements may not be met by proficiency examination.

Course requirements vary according to curriculum. Students should refer to the course requirements for their curriculum to determine if all requirements have been met, and should routinely meet with their academic advisor to assure their progress toward graduation.

Every academic year each curriculum publicizes a program of study for students admitted in that specific year. Students will graduate under the course requirements that are applicable at the time they enroll in a curriculum, if they remain continuously enrolled until graduation and complete all requirements within three years of initial enrollment. A student who applies for re-admission

after two or more semesters is accepted under the program of study in effect at the time of re-admission, not under the program of study in effect at the time of the original admission.

Students who change their curriculum are also admitted to the new curriculum under the current year's program of study.

In order to have complete information recorded on their transcripts, students should apply for their degree, diploma, or certificate at the time of their last semester registration. **Intent to Graduate Forms** are available in the Student Data and Support Service Office, Room 114 (1st Floor), Allman Center, Main Campus or the Cashier's Office (2nd Floor), Allman Center, Main Campus. There is a \$10 non-refundable graduation fee that must be paid at the time the form is filed.

Student Withdrawals

Students considering withdrawing from a class or from school are encouraged to contact their instructor(s) and academic advisor to discuss the decision to withdraw. A **Drop Form** may be obtained in the Records Office, Room 106 (1st Floor), Allman Center, Main Campus. When the student initiates a withdrawal or drop, the date the student completes the **Drop Form** is considered the official withdrawal date. When the instructor initiates a drop, the date the instructor records on the **Drop Form** is the official withdrawal date. When students fail to notify the Records Office, they may receive a failing grade.

Withdrawal from a Class - Students are responsible for completing a **Drop Form** and notifying their instructor(s), academic advisor, Records Office, or Counseling Center of the decision to withdraw.

Total Withdrawal from School - Students who must withdraw from school before graduation, either permanently or temporarily, should withdraw officially. Students are responsible for completing a **Drop Form** and for notifying their instructors, academic advisors, Records Office, or Counseling Center of the decision to withdraw.

Students planning to discontinue enrollment at the end of a semester should fill out an **End of Semester Withdrawal Form** available in the Counseling Center. This information is necessary to ensure that students' status at the time of withdrawal is clearly identified in order to expedite re-entry, to expedite transfer of credit to another institution, or to provide potential employers with accurate education information.

Veterans and financial aid recipients must notify Student Financial Services.

(Family Educational Rights and Privacy Act of 1974

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides many safeguards regarding the confidentiality of, and access to, student records.

1. Students may review their educational records by making a written request to the coordinator of records.
2. Student records will not be reviewed by third parties unless permission is obtained in writing from the student. Exceptions may be made for instructors and administrators if the information is for educational purposes. Exceptions may also be made for parents who claim the student as a dependent and for credentialing, auditing, or accrediting organizations. The vice president of institutional planning and support services will make the final decision concerning access to records.
3. Transcripts will be issued only when a written request is received from the student. Transcripts from high schools or other colleges will not be released.
4. Forsyth Tech does not publish or distribute student information or any personally identifiable information.
5. Forsyth Tech publishes the names of graduates in the graduation program and in local news media. Names of students attaining academic honors each semester are also published. Students who do not wish their names published for graduation or academic honors must notify, in writing, the director of student data support services of their desire not to have their names published.
6. Authorities with court orders are permitted to review records in the presence of Student Development Services' administrative staff.

Course Repeat Rule

Students may not repeat a course either for credit or audit more than twice. Grades of withdrawal (W), withdrawal passing (WP), withdrawal failing (WF), or audit will be considered as a repeat grade.

If students withdraw from or fail any course in their curriculum, they must repeat the course; otherwise, they cannot receive a degree, diploma, or certificate. Students are responsible for scheduling make-up courses required for graduation. Students may repeat a course at another college to meet graduation requirements.

Students who fail one of the courses in the major subject area may be referred to the Counseling Center. The appropriate dean will make the final decision on students' permission to repeat a class after two attempts.

Grading System

The grading system found listed below is used for all curricula classes at Forsyth Tech. Exceptions must be approved by the appropriate deans, and students must be informed in writing in the course syllabus.

Number Grade	Letter Equivalent	Description	Quality Points Per Grade Hr.
94-100	A	Excellent	4
86-93	B	Good	3
78-85	C	Fair	2
70-77	D	Passing	1
Below 70	F	Failing	0
Withdrawal	W	
Withdrawal Passing	WP	
Withdrawal Failing	WF	
Incomplete	I	
Audit	Y	
Course Transferred	TR	
Credit Granted or Passed Proficiency	CR	
Grades A, B, C, D, F and WF*		compute in grade point average (GPA).	

* "WF" is computed as an "F" in the grade point average.

Grades W, WP, I, Y, TR, and CR do not compute in GPAs.

W - A withdrawal is the grade given to students who officially withdraw from a course through the 14th week of fall and spring semesters, the 8th week of summer term, or the 75 percent point of a class when the class does not follow the regular semester calendar.

WP/WF - A withdrawal passing/withdrawal failing is the grade given to students who officially withdraw from a class at any time after the 14th week of fall and spring semesters, the 8th week of summer term, or the 75 percent point of a class that does not follow the regular semester calendar.

Students must have permission of the instructor to withdraw with a grade of WP or WF. The grade of WF computes as a grade of F.

I - The grade of incomplete is given only if students have valid reasons for failure to complete the work on schedule. Illness, absence on company business, or circumstances

beyond students' control are considered valid reasons for a grade of incomplete. Students must have advised the instructor of the circumstance before the end of the semester to be granted an incomplete. The instructor must have specified the work to be made up in order to remove the incomplete, and a date within the following semester by which the work must be completed. If the conditions necessary to remove the incomplete will require additional hours of instruction, students must register for the course again. If students need only to complete work without instructional supervision, this work must be completed no later than the end of the following semester.

Students who receive a grade of incomplete on a course that is a prerequisite for a higher level course must make up the incomplete work by the end of the drop/add period in order to be allowed to register for the higher level course.

If the grade of incomplete is not removed by the end of the semester immediately following the semester it was given, it will remain permanently recorded.

Y - Students auditing courses are not required to take examinations or submit written work but may do so if they wish. No grade or credit toward a degree or diploma is given. An audit may not be changed to credit, or credit changed to audit after the 10 percent point of the semester or the 10 percent point of the class when the class does not begin within the first five days of the semester. Normal attendance policies will apply. Audit students are expected to do assigned reading and participate in classroom activities. Students withdrawing during the semester will be given the grade of W. The **Audit Request Form** is available in the Records Office or from the appropriate division dean. It must be submitted to the Records Office for processing by the 10 percent point of the class.

Grade Point Average (GPA)

Academic progress at Forsyth Tech is based on a 4.0 cumulative grade point average (GPA) system. A final GPA of 2.0, or a C, is required for graduation from all programs of study. Students accumulate grade points based on grades earned per semester. The GPA is determined by dividing grade points earned in courses by the number of semester credit hours attempted. The last grade earned in a course will be used to calculate GPA.

Graduation Honors and Awards
Graduates in curricula leading to a degree or diploma qualify for academic recognition at graduation. Students earning a cumulative GPA of 3.50 to 4.00 will be granted a degree or diploma with high honors. Students earning a cumulative GPA of 3.00 to 3.499 will be granted a degree or diploma with honors.

APPLAUSE

Semester Honors

Curriculum students who earn a grade point average (GPA) of 3.50 to 3.999 for the semester are named to the Deans List for the semester. Curriculum students with a GPA of 4.0 are named to the President's List for the semester.

To be eligible for these honors, students:

1. Must be approved and enrolled in a curriculum. (This excludes students in developmental education, general technology core curriculum, special credit, and certificate programs.)
2. Must earn their GPA on a minimum of 9 credit hours of curriculum courses.
3. Must have completed all course work for the semester. Students with grades of incomplete (I) will not be eligible.

Attendance

Forsyth Tech regards class lectures, demonstrations, and other in-class experiences as vital ingredients of the educational process. For this reason, students are expected to attend and arrive on time to all class, laboratory, shop, practicum, and clinical experience sessions. Students are responsible for accounting to their instructors for any absence, and should report to their instructors following any absence to determine if and when work may be made up. Habitual tardiness may, at the discretion of the instructor, be considered in computing attendance.

Students must satisfy the instructor that they should be permitted to remain in a course and attend classes after incurring absences in excess of the following:

1. five hours of class,
2. three practicum (shop, laboratory, or clinical experience) sessions which meet for two or more hours, or
3. three hours of class and one practicum (shop, laboratory, or clinical experience) session which meets for two or more hours.

AUGUST 2002

THINGS TO DO:

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
4 Telephone Registration	5 Walk-In Registration 8:30 am - 7 pm Telephone Registration Annual Leave Period Faculty Work Day (No Classes)	6 Walk-In Registration 8:30 am - 7 pm Telephone Registration Ends at 7 pm Annual Leave Period Faculty Work Day (No Classes)	7 Walk-In Registration 8:30 am - 7 pm Annual Leave Period Faculty Work Day (No Classes)	8 Walk-In Registration 8:30 am - 1 pm Purge at 1 pm Annual Leave Period Faculty Work Day (No Classes)	9 Telephone Registration Annual Leave Period Faculty Work Day (No Classes)	10 Telephone Registration
11	12 Faculty Work Day (No Classes)	13 Late Registration 8:30 am - 7 pm Faculty Work Day (No Classes)	14 Late Registration 8:30 am - 7 pm Purge Faculty Work Day (No Classes)	15 Faculty/Staff Orientation Faculty Work Day (No Classes)	16 Faculty Work Day (No Classes)	17 Late Registration 8:30 am - 1 pm Purge
18	19 First Day of Fall Semester Classes Drop/Add 8:30 am - 7 pm	20 Last Day to Add Classes Drop/Add 8:30 am - 7 pm Purge	21	22	23	24
25	26	27	28	29	30	31

When students are absent from a class and a practicum (shop, laboratory, clinical experience) session which meet consecutively, each session missed will be counted as an absence.

Special attendance rules, different from those listed above, must be noted in the instructor's attendance policy included on the course syllabus. Students with questions or concerns should consult with their instructor.

School Closing Due to Inclement Weather

The decision to cancel all or any portion of college classes during inclement weather is the responsibility of the president or a designated representative.

The guidelines listed below will be followed when classes are canceled due to inclement weather. Students may call the school or listen to radio and television. *When there is no announcement, there will be school.*

1. When the decision is made to cancel day classes, it will be announced through the news media prior to 6:15 am. The decision to cancel day classes will be on a day-by-day basis and will apply to all day classes offered by the college regardless of location.
2. A decision to cancel evening classes may be made at the same time as the cancellation of day classes OR at any time prior to 5 pm of that day. This decision will apply to all evening classes regardless of location.

3. Early dismissal of day or evening classes because of inclement weather is the responsibility of the president or designated representative. All classes and offices will be notified when this decision is made.

4. When inclement weather develops, students should NOT call the administrative staff or radio and television stations. This only delays communications and creates extra telephone problems. A message regarding closing for both faculty and students will be on the Forsyth Tech telephone message system (336) 723-0371 by 6:30 am.

5. When a class is missed due to inclement weather or other reasons approved by the appropriate dean, the instructor must assign an alternate instructional activity which may include extra class sessions, extended class sessions, or other options.

Please listen for announcements on the local radio and TV stations.

Academic Appeal Concerning a Grade

Any appeal of a course grade should begin with:

1. A scheduled conference between student and instructor.

If the appeal is not resolved at this level, the student should:

2. Arrange a conference with the appropriate department chairperson.

If the appeal is not resolved by the department chairperson, the student may:

3. Appeal to the appropriate division dean.

4. The student has the responsibility to provide the dean with a written letter of appeal by the first class day of the new semester in order for the appeal to be considered.

5. After conferring with the student, the dean will convene a division academic appeals committee. This committee will hear the appeal and make the final decision. The dean will notify the student and the instructor in writing.

Questions concerning the appeal process should be directed to the instructor, the department chairperson, or the dean.

The student's letter of appeal should include:

1. Date, student's name, signature, address, and telephone number.
2. Prefix and number of course for grade being appealed.
3. Name of instructor issuing the grade.
4. Brief explanation of why the student feels the grade is incorrect and what the student feels the grade should be.
5. Any supporting documentation the student feels is needed to explain more fully the student's position on the grade.

The appeal letter and any supporting documentation will be duplicated for the committee to review.

Academic Standing/ Probation/Dismisal

To be in good academic standing students must have earned a cumulative grade point average (GPA) of 2.0 in courses required in their program of study by the end of their first semester at

Forsyth Tech. A cumulative GPA of 2.0 within their program of study must be maintained thereafter to remain in good standing.

Students who do not maintain the required 2.0 cumulative GPA in courses required in their program of study will be placed on academic probation for the following semester. All students who do not earn the required GPA in the next semester will have their academic records reviewed by their respective division's academic review committee, which meets at the end of each semester. The committee may

- (a) reduce the number of credit hours the student will be allowed to carry,
- (b) require the student to repeat courses in which a low grade was earned, or
- (c) dismiss the student from the curriculum.

The student will be notified in writing of the committee's decision, and copies of the notice will be sent to the Records Office, the division dean, and the student's faculty advisor.

The following options are available to students who are dismissed from their current curriculum program of study:

- A student who is dismissed from a curriculum program of study is encouraged to see a counselor to discuss possible educational alternatives.
- A student who is dismissed from a curriculum program of study may be eligible to apply for and be admitted into another curriculum program of study offered by the college.
- A student who is dismissed from a curriculum program of study may re-apply for admission to that program.
- A student who has been dismissed from a curriculum program of study for academic reasons may not be eligible to continue to receive financial aid, depending upon the conditions of financial aid eligibility.

Appeal to Academic Review Committees

A student may appeal the decision of a division academic review committees by:

1. Submitting a written request to the appropriate division dean within 24 hours after formal notification of the committee's decision.
2. The dean will convene the division academic appeals committee.

3. The division academic appeals committee will make the final decision on the matter.

4. The dean will send written notification to the student, the department chairperson, and the student's academic advisor.

Transfer to Four-Year Colleges and Universities

The associate in arts (A.A.) or associate in science (A.S.) degrees are approved for transfer through the North Carolina Comprehensive Articulation Agreement.

The college transfer curriculum is designed to provide a quality educational experience equivalent to the first two years of a four-year college curriculum. Students who have earned the degree of A.A. or A.S. can transfer to most public and private four-year institutions with full junior-year standing. A minimum grade point average (GPA) of 2.0 is required for acceptable transfer credit. For additional information visit the University of North Carolina system web site: www.ga.unc.edu/student_info/caa.

The college transfer curriculum enables students to prepare for virtually any area of major interest and requires a minimum of four semesters.

Courses are offered in mathematics; composition and literature; humanities; physical education; and the social, physical, and life sciences. Counselors and academic advisors are available to assist students in planning acceptable programs for transfer to desired colleges or universities. The Career Guidance Center maintains copies of all college transfer agreements for student review.

Technical-level credit earned in the associate in applied science (A.A.S.) degree programs at Forsyth Tech may be transferred to similar programs at other institutions. Acceptability of all technical transfer credit is determined by the institution to which students wish to transfer. Diploma credit is not transferable to four-year institutions.

There are several two-plus-two A.A.S. agreements with local colleges and universities. Students should inquire in the Career Guidance Center for information regarding these opportunities for transfer of credit to four-year institutions.

The Career Guidance Center maintains a list of four-year colleges and universities which currently accept some or all of the credit earned in the curricula at Forsyth Tech. However, it is the student's responsibility to contact the Admissions Office at the receiving institution for transfer information.

Tuition, Fees, and Parking

Tuition and Fees for Senior Citizens

North Carolina residents 65 and older are exempt from paying tuition, except for self-supporting Corporate & Continuing Education courses. However, senior citizens are responsible for paying any additional fees and expenses for curriculum courses.

Student Fees

Student Activity Fee

All curriculum students are charged \$9 per semester/term for a student activity fee. When students pay this fee, they automatically become members of Forsyth Tech's Student Government Association. Though called an "activity fee," these funds are used to support student clubs and social activities, student publications, athletic teams, and student government expenses. For a more detailed list of the expenses covered by these fees, see the Student Life section of this catalog.

Lab Fees

Some selected courses charge a lab fee for supplies, software, and materials. These fees range from \$12 to \$65.

Refund Guidelines

Curriculum tuition and supply fees can be considered for a refund. Students must complete a Request for Tuition Refund Form in the Records Office when they drop class(es) and/or if class(es) are cancelled.

Tuition and fee refunds for curriculum classes are subject to the following requirements:

- A 100 percent refund may be made upon request from students if students officially withdraw prior to the first day of classes of the semester as noted in the academic calendar. If Forsyth Tech cancels a course, the portion of tuition that paid for the cancelled course will be refunded in full.
- A 75 percent refund may be made upon request from students if students officially withdraw from the class(es) prior to, or on, the official 10 percent point of the semester.
- Student activity fees will be refunded only when classes are cancelled and students are not registered in any other class.
- Students passing proficiency examinations for courses they have registered and paid for are not eligible for tuition refunds.
- Refunds of \$5 or less will not be made except for classes cancelled by Forsyth Tech.
- Tuition refunds are not transferable to other individuals.
- Late tuition refund requests will not be considered.
- Tuition cannot be held from one semester to a future semester.

Books and Supplies

The cost for textbooks and supplies is the responsibility of the student, and these items may be purchased at the Forsyth Tech Bookstore, lower level, Snyder Hall, Main Campus. The cost of books and supplies varies from curriculum to curriculum each semester. Students may wish to attend the first class before purchasing texts and materials. Purchase books online at www.ftcc.bkstr.com.

Uniforms

The cost for uniforms and other special apparel is the responsibility of the student, and the initial cost of these items varies for certain curricula. Students should ask their department chairperson for details on these costs.

Other Fees

No laboratory breakage or property damage fees will be charged to students. However, in case of breakage or damage due to gross negligence or maliciousness, a student will be expected to reimburse the college.

Graduation Fee

Graduating students pay a \$10 fee for each degree, diploma, and/or certificate. A \$10 non-refundable fee will also be charged to adult high school graduates.

Transcript Fee

A \$2 fee is charged for each transcript copy requested, whether an official or unofficial version.

Proficiency Exam Fee

A student may take a proficiency exam for a given course only once in a 12-month period.

A Request for Proficiency Exam Form [located in the dean's office(s)] must be completed, and a \$10 non-refundable fee is charged for each proficiency exam.

Parking

Visitors are welcome on the campus of Forsyth Tech. Campus signs indicate designated visitor parking areas. Any visitor receiving a ticket while parked in a designated visitor parking area should return it to the person or office visited. Otherwise, parking fines should be paid at the Cashier's Office, (2nd Floor), Allman Center, Main Campus.

Students planning to park on campus are required to purchase a \$10 parking permit/decal at the time of registration. This fee is not refundable.

Parking permits are valid from July 1 to August 31 the following year. Specific rules governing parking are issued with each vehicle registration and may also be found in the current issue of the Student Handbook.

STUDENT FINANCIAL SERVICES

General Information

The purpose of financial aid is to provide monetary assistance to eligible students who may otherwise be unable to continue their education. The college will make every effort within available financial aid resources to assure that qualified students will not be denied the opportunity to attend college because of a lack of adequate funds to help meet educational expenses. Although students and students' parents are primarily responsible for financing a college education, financial assistance may be available to students in the form of federal and state grants, scholarships, work study programs, and loans. **Students who realize they will not be able to meet college expenses must take the early initiative in seeking financial assistance.**

Students may apply for financial aid annually by completing the Free Application for Federal Student Aid (FAFSA), which is available after January 1 of each year for the following academic year. Information and applications may be obtained from Student Financial Services (1st Floor), Allman Center, Main Campus. About four weeks after submitting the application either by mail or online, students will receive a Student Aid Report (SAR) from the federal processor. On the application, students must list Forsyth Tech as the institution they plan to attend so that the college will also receive a copy of the SAR. At that time, Student Financial Services will inform students of any required documentation to complete students' financial aid files.

It is recommended that applications for student aid at Forsyth Tech be submitted no later than June 1 preceding the academic year for which aid is requested. Applications submitted after June 1 will be processed; however, funding for many programs is limited. Late applicants may find most funds already obligated.

Financial aid will not be awarded to any student until all admissions requirements are met for approval in an eligible program.

Most one- and two-year programs of study offered at the college are eligible for financial aid. Students enrolled in some certificate programs, the developmental education program, or as special credit students are not eligible for financial assistance through Student Financial Services. Students are advised to contact Student Financial Services if they are unsure as to whether their program of study is an eligible program for financial assistance.

STUDENT SERVICES AND SUPPORT PROGRAMS

Counseling Center

The Counseling Center (1st Floor), Allman Center, Main Campus maintains a staff of professional counselors who are available both days and evenings to assist students with educational, vocational, financial, social, or personal problems from the time they enter school until they leave. Assistance is provided to facilitate wise choices, decisions, and adjustments associated with being a student.

Counselors also serve as consultants to faculty and staff in helping to meet the educational needs of students. Sometimes an instructor may refer a student who is experiencing difficulties to the Counseling Center or may request that a counselor contact the student for an appointment. Students may be referred to appropriate community agencies or resource persons when it is apparent that they might benefit from additional assessment or therapy.

The counseling staff adheres to the ethical standards of the American Counseling Association and the National Board for Certified Counselors. All discussions and consultations are confidential; however, exceptions may be made when students present a danger to themselves or others, or if students disclose that they are involved in an illegal activity.

Services for Students with Disabilities

Forsyth Technical Community College is invested in full compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA). The Special Services Office at the college ensures that the programs and facilities of the college are accessible to all students. The college focuses on the student as an individual and works toward equal opportunity, full integration into the campus environment, physical accessibility, and the provision of reasonable accommodations, auxiliary aids, and services to students.

If you are a student with a disability and require the services of interpreters, readers, notetakers, or need other reasonable accommodations, you

have the responsibility to request these services from the Special Services Office since federal law prohibits the college from making pre-admission inquiries about disabilities. This office is located in the Testing Center (1st Floor), Allman Center, Main Campus. In order to assess each disabled student's needs and to provide the necessary support services, professional documentation of a disability or disabilities must be furnished to the Special Services Office. Documentation must be current. Information provided by a student is voluntary, and appropriate confidentiality is maintained.

Students who need assistance for academic services should call the director of testing/special services/ADA at (336) 734-7248. Services are designed and developed on an individual-needs basis, and students may elect to use any or all of the services appropriate to their needs at no charge. An appointment with the director of testing/special services/ADA is recommended in order to discuss any special concerns.

Also, the college has a telecommunications device for the deaf (TDD/TTY) located in the Counseling Center. The number is (336) 723-3411.

Employment Assistance Center

The Employment Assistance Center (EAC) offers employment services to current students and graduates of Forsyth Tech. Students and graduates who register with the EAC have access to job listings received from Triad employers. In addition, a representative from the Employment Security Commission (ESC) is available in the EAC to work exclusively with Forsyth Tech students and graduates. Students who register with the on-campus ESC representative have access to local, state, regional, and national job opening information.

The Employment Assistance Center sponsors an annual job fair and provides the following services to current students and graduates: individual career counseling, help in writing resumes and cover letters, interview preparation, and handouts and resource materials on job search skills and job market information.

Women's Resource Center

Mission

The mission of the Women's Resource Center (WRC) is to promote the educational, personal, and professional development of women.

Vision

The WRC's vision is to become a catalyst for students to develop their individual

strengths to achieve positive outcomes in their educational and professional opportunities at Forsyth Technical Community College.

About the Center

Although our focus is female students, the Women's Resource Center (WRC) is open to all students enrolled at Forsyth Tech, as well as faculty and staff. The WRC addresses many issues including creative childcare, financial management, health

education, legal matters, and professional and personal development. Networking and collaborating are the guiding principles for the services of the WRC. Our comfortable lounge, library resource area, administrative staff, and support team provide a welcome and supportive environment for Forsyth Tech's diverse student population. Programs and assistance that are offered through the center include:

- **Child Care Program** - This state-funded program assists single parents, homemakers, and displaced homemakers with child care, allowing eligible students the flexibility to plan and complete a training program in order to become economically self-sufficient. Curricula students are eligible to apply for this program.

- **Counseling and Referrals** - The director of the Women's Resource Center (WRC) is available to provide counseling and referrals based on each individual's situation. All information gathered during counseling or referrals remains confidential. One of the most critical objectives of the WRC's counseling and referral service is to match the individual with the appropriate agency or organization that will suit his or her need. The WRC also has a growing collection of brochures and information about community agencies and programs. Some organizations that collaborate with the WRC to provide counseling or other services are:

- Battered Women's Services
- BB&T (Branch Banking and Trust)
- Centerpoint Human Services
- Department of Public Health
- Department of Social Services (DSS)
- Experiment in Self-Reliance (ESR)
- Family Services, Inc.
- Forsyth Technical Community College (various departmental services)
- Job Link
- North Carolina Council for Women
- Social Security Administration (SSA)
- Winston-Salem/Forsyth County Council on the Status of Women
- Winston-Salem Housing Authority (HAWS)
- Winston-Salem Urban League

- **Library** - The WRC houses a substantial

collection of over 400 donated books, tapes, and magazines for student and staff use. The comfortable lounge area is also available for students to study, receive tutoring, or just relax. The area may also be utilized for small group meetings. A computer with Internet access is also available for students needing to complete assignments or do research. Materials in the library may be checked out.

- **Support Groups** - Peer groups have been developed to assist students of Forsyth Tech in coping with various life issues. Support group sessions may include discussion, speakers, presentations, or individual counseling. Two active support groups are the "Single Parent/Homemaker Peer Support Group" and the "He Said, She Said Gender Dialogue Group." Other groups will be formed as needed.

- **Workshops & Displays** - Workshops are scheduled by the WRC on a variety of subjects during each semester. Information presented provides guidance for handling issues and challenges that students face at work, home, and school. Open forums are also conducted to allow students to ask questions and voice their opinions. Displays are set up to inform and educate students, faculty and staff of Forsyth Tech.

Library

The Library's collection includes more than 39,000 books and audio-visual software. Most materials may be checked out for two weeks. Although no fines are charged, students are responsible for replacing books that are lost or damaged. Until replacement is made, Library privileges will be revoked, the student will not be permitted to register, and the student's record will be sealed. Members of the Library staff are always available to help students locate and use the Library resources. Internet access and NCLive are available to Library users.

Located on the 1st floor of Ardmore Hall, Main Campus, the Library is open Monday through Thursday from 7:30 am until 9:00 pm and on Friday from 7:30 am until 3:00 pm; Saturday hours are from 9:00 am to 12:00 noon, except during the summer term.

Learning Center

Located on the 1st floor of Ardmore Hall, Main Campus, the Learning Center offers a variety of services and programs designed to assist both faculty and students.

Tutoring Services - Tutoring services offer several methods for helping students who are having academic difficulties. Tutoring is done one-on-one or in small group sessions two to three times a week by tutors, primarily fellow students, who have received training. Assistance is offered in virtually every academic course offered on Main Campus. The Learning Center has math and science tutoring centers; all staffed by well-qualified lab assistants. Students can use these centers on a drop-in basis. Both tutoring and tutoring center help are free to students, but students must be referred by their instructor. In addition, the Learning Center staff conduct a variety of workshops on learning skills.

The various tutoring services share the goal of increasing retention rates while helping Forsyth Tech students become independent, lifelong learners.

Computers for Writing Papers - The Learning Center has PCs with Internet access

for students to write class papers, reports, assignments, etc. This free service is available to any enrolled student doing class-related work.

Placement Test Preparation - Most people entering Forsyth Tech are required to take the placement test. To help these future students, the Learning Center offers worksheets, practice tests, and tips on test taking. This service is especially helpful for people returning to school after a long absence.

Services for Instructors - The Learning Center has several services for instructors. The Center can administer make-up tests for instructors whose students miss a test, it houses and distributes the materials for the telecourses, and it can provide special accommodations to help instructors comply with the Americans with Disabilities Act (ADA).

Bookstore

Forsyth Tech operates two college stores as a service to students, faculty, and staff. The Main Campus Bookstore, lower level, Snyder Hall offers a full line of traditional college store merchandise, including textbooks, school supplies, and other course-related material, plus first-quality backpacks, emblematic apparel, Forsyth Tech gift items, and educationally priced computer software. The West Campus Bookstore, Room 10, carries an abbreviated selection of the above materials, focusing on course materials for adult high school, corporate & continuing education, adult basic skills, English as a second language, and other West Campus programs.

The Bookstore stocks as many used texts as possible at the beginning of each semester, and students have the opportunity to sell their used books at the end of each semester. Curriculum students may receive full refunds for course books during the first 10 class days only.

Corporate & Continuing Education textbooks may be returned for full refunds prior to the first day of class.

Hours of operation of the two College Bookstores are posted at each location.

Books may also be purchased on the Forsyth Tech bookstore website: www.ftcc.bkstr.com.

Book Return Policy

- Last day of returns: 10th class day (posted in the store).
- No refund without receipt.
- No cash refunds on grants.
- Books must be unmarked and in good condition.
- New books with names written inside will be refunded at used book price, even if the course is cancelled.

Health Services

Limited health services are provided through the Public Safety Office. First aid supplies are located in shop areas; however, injuries requiring more than minor first aid will be treated in the emergency room of either Forsyth Medical Center or Wake Forest University Baptist Medical Center.

Telephone Calls to Students

Forsyth Tech does not have the facilities to forward general telephone messages to students and will not do so except in the case of an emergency. Emergency calls should be directed to the operator, Counseling Center, Public Safety Office, or appropriate dean's office. Those calling in an emergency will be asked to state the nature of the emergency and to give their name and a return telephone number. Forsyth Tech staff will then make every effort to relay this information to students.

It is the policy of Forsyth Tech not to give out identifying information about students to telephone callers and/or unidentified persons without the permission of the student (Family Rights and Privacy Act). The Records Office only handles inquiries concerning students' records.

Use of Facilities

- The buildings and their contents exist solely for the education of Forsyth Tech's adult population, and the use of these facilities for any other purpose is strictly prohibited.

- Smoking is prohibited in all classrooms, laboratories, shops, and auditoriums.

- Animals are prohibited inside the buildings (except for seeing eye dogs for the sight impaired). Any animal on the campus grounds must be on a leash in compliance with the City of Winston-Salem Leash Law (Ordinance Section 3-18).

- Children are not allowed in classrooms or shop areas during class sessions, nor may they be left unattended in the library, canteen areas, or on campus grounds.

STUDENT CODE OF CONDUCT AND RESPONSIBILITIES

Code of Conduct

The act of enrollment at Forsyth Tech includes an acceptance by the student of the rules of Forsyth Tech. By enrolling, the student accepts the obligation to assist in making Forsyth Tech an effective place to conduct a learning process and to engage in the pursuit of truth, the development of self, and the improvement of society. Each enrolled student is considered to be a responsible adult, and Forsyth Tech assumes and requires that students who enroll in the various programs will maintain standards of conduct appropriate to the status of students at Forsyth Tech.

Forsyth Tech has an inherent responsibility to maintain order on its campus. Therefore, students may be suspended or dismissed for behavior deemed incompatible with the mission, the regulation, or the responsibility of Forsyth Tech or deemed to be in violation of any of the provisions of the code of conduct as set forth herein.

Forsyth Tech recognizes the right of an enrolled student to receive a full opportunity to learn and develop, unfettered by any and all obstacles not conducive to a sound, fundamental educational program. To this end, Forsyth Tech recognizes, declares, and vests certain rights in each student enrolled at Forsyth Tech.

Student Rights

A. Legal Rights

All the rights and privileges guaranteed to every citizen by the constitution of the United States and by the state of North Carolina shall not be denied any student. Furthermore,

Forsyth Tech shall adhere to all of the statutes of the United States and the state of North Carolina. Forsyth Tech has recognized the Student Government Association as the approved agency to voice students' opinions and speak on institutional policies concerning students' activities.

B. Rights of the Learner

The instructor in the classroom and in conference shall encourage free discussion, inquiry, and expression. Student performance will be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

Baker

C. Student Records

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides safeguards regarding the confidentiality of, and access to, student records.

1. Students may review their educational records by making a written request to the coordinator of records.
2. Student records will not be reviewed by third parties unless permission is obtained in writing from the student. Exceptions may be made for instructors and administrators if the information is for educational purposes. Exceptions may also be made for parents who claim the student as a dependent and for credentialing, auditing, or accrediting organizations. The vice president of institutional planning and support services will make the final decision concerning access to records.
3. Official transcripts will be issued only when a written request is received from the student or upon written authorization by a student to be released to a designated entity. Transcripts from high schools or other colleges will not be released.

D. Freedom of Association

Students are free to organize and join an association organized or existing to promote students' curriculum or career interest. Student organizations must select a faculty advisor and submit a constitution to the Student Government Council.

E. Due Process

Due process procedures are established to guarantee the right of hearing, a presentation of charges, evidence for charges, the right of confrontation by the questioning of witnesses, and the right to counsel by the accused student, if so requested by the student. Any student aggrieved by the violation of this code of conduct shall have the right of appeal to the student appeals committee as hereinafter provided.

General Campus Rules

The following is a general summary and classification of the major rules of student conduct, and any violation shall be considered a violation of this code of conduct. For purposes of Forsyth Tech rules and regulations, Forsyth Tech grounds are defined as any location owned, leased, rented, controlled, or otherwise occupied by Forsyth Tech or any division thereof.

Rule 1. Disruption and Disorderly Conduct

A student shall not engage directly or aid and abet in disorderly conduct which is intended to provoke violent retaliation or cause a breach of peace which disrupts, disturbs, or interferes with the normal routine, activities, or teaching of students, or which disrupts, disturbs, or interferes with the peace, order, or discipline on Forsyth Tech grounds.

Rule 2. Damage to or Destruction of

Forsyth Tech Property
A student shall not intentionally, willfully or wantonly cause, or attempt to cause, substantial damage to be done to Forsyth Tech property, or shall not steal, or attempt to steal, Forsyth Tech property.

Rule 3. Damage to or Destruction of

Private Property
A student shall not intentionally, willfully or wantonly cause, or attempt to cause, damage to private property of another or shall not steal, or attempt to steal, private property of another when on Forsyth Tech grounds or while attending a Forsyth Tech activity, function, or event held off Forsyth Tech grounds.

Rule 4. Assault or Verbal Abuse of Forsyth Tech Employees

A student shall not intentionally cause, or attempt to cause, physical injury, verbal abuse, or harassment, or communicate a threat to a Forsyth Tech employee.

Rule 5. Assault or Verbal Abuse of Persons

Other Than Employees
A student shall not intentionally cause, or attempt to cause, or threaten to cause physical injury, verbal abuse, or harassment, or communicate a threat or direct any profane language toward any other student or Forsyth Tech agent, guest, or visitor, at any time while such student is enrolled at Forsyth Tech or while such student is on Forsyth Tech grounds or is attending a Forsyth Tech activity, function, or event held off Forsyth Tech grounds.

Rule 6. Weapons and Dangerous Instrumentalities-North Carolina General Statute 14-26

It is unlawful for anyone to possess any weapon, whether openly or concealed, while on educational property. House Bill 1008: It is a felony to possess or carry a firearm or explosive device on educational property or

to aid a person less than 18 years old to possess or carry a firearm or explosive device on educational property. This bill makes it a misdemeanor to cause, encourage, or aid a person less than 18 years old in taking or possessing other types of weapons on educational property. This bill also makes it a misdemeanor for any person who owns or possesses a firearm and who resides in the same premises as a person less than 18 years of age to store or leave the firearm in a condition that the firearm can be discharged and in a manner that the person knew or should have known that an unsupervised minor would be able to gain access to the firearm. In practice, then, this statute permits prosecution of anyone carrying any dangerous instrument in school, on school grounds, or at any school activity.

Rule 7. Narcotics, Alcoholic Beverages, and Controlled Substances

A student shall not knowingly or negligently own, possess, use, transport or be at any time under the influence of any narcotic drug, alcoholic beverage or any other controlled substance (as controlled substance is defined by the North Carolina General Statutes or 21 U.S.C. subsection 812) while on Forsyth Tech grounds or during the time when a student is participating in any Forsyth Tech activity, function, or event off Forsyth Tech grounds. Use of any drug authorized by medical prescription from a registered physician shall not be considered a violation of this rule. However, students shall be held strictly accountable for their behavior while under the influence of prescribed medicines.

Rule 8. Classroom and Campus Activities

A student shall comply with all directions of Forsyth Tech faculty, administrators, or authorized personnel during any time when the student is under the authority of Forsyth Tech personnel. A student on campus shall promptly identify himself to a Forsyth Tech official or campus public safety officer at all times upon reasonable request. A student shall appear before Forsyth Tech officials or disciplinary bodies when so directed. Any failure by any student to abide by these regulations in this Rule 8 shall constitute a violation of this code of conduct.

Rule 9. Academic Dishonesty, Cheating, Forgery, and Related Offenses

It shall be a violation of Forsyth Tech code of conduct for a student to commit any one of the following acts:

1. Academic cheating, including but not limited to, unauthorized copying of academic work of another, collaboration for use of notes or books on examinations without prior permission of the instructor.
2. Plagiarism or the intentional presentation of work of another without proper acknowledgment of the source.
3. Fabrication and falsification or the intentional misrepresentation of any information or citation in an academic exercise.
4. Submission of substantial portions of the same academic work for credit more than once without authorization.
5. Abuse of academic materials in the form of destruction, theft, or concealment of library or other resource material or of another student's notes or laboratory experiments.
6. Complicity in academic dishonesty in helping or attempting to help another student to commit an act of academic dishonesty.
7. Furnishing of false information to any Forsyth Tech personnel including forgery, falsification, or fraudulent misuse of any documents, records, or identification cards.

Rule 10. State and Federal Laws

A student shall not violate any state or federal laws while on Forsyth Tech campuses or while attending a Forsyth Tech activity, function, or event off Forsyth Tech grounds.

Rule 11. Student Attire Code

Although Forsyth Tech students may dress informally, cleanliness and neatness of appearance must be maintained. Shirts and shoes are required at all times while the student is on campus or at all times while such student is attending a Forsyth Tech activity, function, or event off Forsyth Tech grounds. Special technical or vocational curricula, such as the health

DISINTEGRATION

(Student Code of Conduct and Responsibilities continued.)

curricula, may require special attire for clinical or laboratory areas. A student shall not attend classes or laboratory work conducted in the clinical or laboratory areas if such student is in violation of the attire codes for such areas.

Rule 12. Involuntary Psychological or Psychiatric Withdrawal

It shall be grounds for dismissal if and when it shall be medically determined that a student poses a threat to the physical well-being of himself or others or if such student has a physical, mental or emotional condition of such a nature as to disturb or disrupt the normal and usual activities of other persons on campus. A student shall agree to have a psychiatric evaluation when it appears to the satisfaction of the president of Forsyth Tech, or designee, that such examination is in the best interest of the student, or Forsyth Tech, or both.

Rule 13. Children in Classrooms or Shop Areas

Children are not allowed in classrooms or shop areas during class sessions, nor may they be left unattended in the library, in canteen areas, or on campus grounds.

Rule 14. Roller Skating, Roller Blading and Skate Boarding

For the safety and well-being of all Forsyth Tech students, employees, and visitors, no one is permitted to roller skate, roller blade, or skate board on sidewalks, parking lots, or any other college property.

Violation of the Code of Conduct

The following are the degrees of disciplinary action which may be taken as a result of violation of the student code of conduct:

- A. **Verbal Warning** - A verbal warning that the specific behavior/condition will not be continued or repeated or further disciplinary action will be taken.
- B. **Warning** - A written notice to the student that continuation or repetition of specified conduct will be cause for further disciplinary action.
- C. **Disciplinary Probation** - A written reprimand to the student for violation of a specified rule, which may include exclusion from participation in a class or specified activities for a specified time as set forth in the notice.
- D. **Restitution** - Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or compensate for damages.
- E. **Suspension** - Exclusion from class or classes and other student privileges or activities as set forth in the notice of suspension.
- F. **Dismissal or Expulsion** - Termination of student status for a definite period of time. At the end of this period of expulsion, the student is eligible to apply through the dean of curriculum development for consideration for re-admission.
- G. **Other** - Other types of discipline as set forth in campus rules and regulations consistent with the incident involved.

If, as a result of a violation of the student code of conduct a student is dismissed from class or classes, the student may receive a failing grade(s), and the disciplinary dismissal will be recorded in the student's permanent record.

The conviction of a student of a criminal offense involving personal misconduct of a kind, which, if condemned by the college, would reflect dishonor or discredit on the college, shall be sufficient grounds for suspension or dismissal of such students.

Sexual Harassment Policy

Forsyth Technical Community College is committed to promoting an atmosphere in which all members of the college - faculty, staff, and students - may work free of sexual harassment and provides for an orderly resolution of complaints of sexual harassment.

All members of the college are expected and requested to conduct themselves in such a way

that contributes to an atmosphere free of sexual harassment. Sexual harassment of any employee or student is a violation of the policies of the college, as well as state and federal law, and will not be tolerated. Anyone who violates this policy will be disciplined in accordance with appropriate disciplinary procedures.

Sexual harassment is defined as deliberate, unsolicited, unwelcome verbal and/or physical conduct of a sexual nature or with sexual implications made by any employee or student when:

1. Submission to such conduct is made either explicitly or implicitly a condition of an individual's employment or academic or student status.
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions or decisions regarding a receipt of grades affecting that individual.
3. Such conduct has the purpose or effect of interfering with an individual's performance or creating an intimidating, hostile, or offensive environment in the workplace or the classroom.

Any student or employee who believes that he or she has been subjected to sexual harassment in violation of this policy should file a confidential complaint to the vice president of student development services or the director of human resources for employees. An investigation of these allegations will be conducted promptly and appropriate action taken.

Sexually harassing behavior may include offensive sexual flirtation, advances, propositions; continued or repeated abuse of a sexual nature; graphic verbal commentary about an individual's body; sexually degrading words used to describe an individual; and the display in the workplace or on campus of sexually suggestive objects or pictures.

Enforcement Procedures

Student conduct on a Forsyth Tech campus or student conduct during a Forsyth Tech activity, function, or event held off Forsyth Tech grounds that violates federal and/or state and Forsyth Tech regulations may be dealt with in the following manner:

1. The student may be turned over to the civil authority and subjected only to the penalties imposed by that authority.
2. The student may be subjected to sanctions imposed both by the civil authorities and Forsyth Tech.
3. The student may be subjected to sanctions imposed by Forsyth Tech, notwithstanding the fact the civil sanctions may not be imposed.

Disciplinary Procedures

A. Instructional Areas

Any instructor may request a student to leave a class, laboratory, shop, or clinical area when, in the opinion of the instructor, the student's conduct or personal demeanor disrupts normal classroom activities. If the student refuses to leave the class, the instructor may call campus public safety for assistance. The instructor, identifying the student and the cause for dismissal from class, will immediately notify in writing the division dean and the dean of curriculum development of actions taken.

The burden of requesting re-entry to class, laboratory, or clinical areas will be upon the student involved. Request for re-entry must be made to the instructor before the next class meeting. If the instructor decides that the student needs additional counseling before re-entry, the instructor may require that the student meet with the division dean or the counseling staff for further discussion. If the division dean or the counseling staff decides that the student should be dismissed from the class or from Forsyth Tech, the instructor will send a written report (approved by the division dean) to the student, the vice president of instructional services, and the vice president of student development services. The vice president of instructional services will make the decision on dismissal when applicable and dismiss the student. The student will be given a copy of the report and a written notification of the decision. If a student wishes to appeal the decision, the appeal must be made by writing the student appeals committee within five days after receiving the dismissal notice.

B. Non-Instructional Areas

Any employee or student may file a written complaint for disciplinary action against any student enrolled at Forsyth Tech. The Public Safety Office may temporarily remove a student from campus when the student is jeopardizing the safety and security of faculty, staff, and/or the student body; a written complaint must then be filed. The complaint must be filed with the dean of curriculum development, who will promptly investigate the complaint and make a decision regarding warning, suspension, dismissal, or other disciplinary action. Both the complainant and the student involved will be notified in writing. If the student wishes to appeal the decision of the vice president of student development services, the appeal must be made by writing the student appeals committee within five days after receiving the notice of the decision.

Student Appeals Committee

The student appeals committee will hear the appeal of any student after the appeal process has been exhausted at the department and division levels for instructional areas or the vice president of student development services for non-instructional areas. The student appeals committee will hear the appeal of any student regarding the following:

1. discipline
2. dismissal, except for academic standing
3. admissions
4. discriminatory practices, including violations of the Americans with Disabilities Act (ADA)
5. sexual harassment

The appeal will be heard under the following conditions within five working days of receipt of the confirmed appeal:

1. The student must submit a written statement containing factual and valid reasons for the appeal to the vice president of student development services, who will forward the statement of appeal to the committee chairperson. The chairperson may return the appeal to the student to clarify, to add factual information, or to state reasons for the appeal; the chairperson may reject the appeal if policies and procedures have not been followed by the student or there is sound reason to reject the appeal.
2. The committee will confine itself to making a recommendation on the appeal question and not on the validity of existing policies of Forsyth Tech. The committee reserves the right to suggest to the president that a current policy be examined for continued value to Forsyth Tech.
3. The committee will submit its recommendation to the president, who will make a final decision and who will notify the parties involved.
4. Records of the proceedings of the student appeals committee are available upon written request to the vice president of student development services.
5. The student must obtain special permission from the vice president for instructional services to attend classes pending resolution of the case on appeal.

Infectious Disease Policy

Forsyth Tech is committed to ensuring, as far as possible, that each employee and student enjoy safe and healthful work and/or study conditions. To this end, the college offers the following information for students and employees.

This policy information presents the procedures to be used by Forsyth Tech to protect those students and employees who may be exposed to infectious diseases and blood-borne pathogens. Blood-borne pathogens include, but are not limited to, the human immunodeficiency virus (HIV), which is the causative agent for acquired immune deficiency syndrome (AIDS), and hepatitis B virus (HBV). These procedures are based on written requirements published in the Federal Register (29 CFR 1919.1030).

Persons infected or reasonably believed to be infected with communicable diseases shall not be excluded from enrollment or employment or restricted in their access to the institution's services or facilities unless medically-based judgments in individual cases establish that exclusion or restriction is necessary to the welfare of the individual, welfare of other members of the institution, or welfare of client, staff or students in a clinical area.

Persons who know or have a reasonable basis for believing that they have an infectious/communicable disease which may pose a threat to others have an obligation to conduct themselves in accordance with such knowledge so as to protect themselves and others. Accordingly, employees should report this information to the human resources director, and students should report to the vice president of student development services. All information will be kept confidential except to those persons determined by the human resources director and dean of curriculum development as having a need to know. These persons will be informed after the individual is advised that such action will be taken.

It is the further declared policy of Forsyth Tech that its faculty, administration, and staff will conduct a continuing information program for all areas of Forsyth Tech personnel regarding communicable diseases and disabling illnesses.

Drug-Free Student Policy

Drug use and abuse by students have become immediate concerns in our society. These problems are extremely complex with no easy solutions.

The users of drugs may impair the well being of all students and the educational environment and may damage Forsyth Tech property.

Therefore, it is the policy of Forsyth Tech that the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited while on Forsyth Tech grounds.

1. Forsyth Tech does not differentiate between drug users and drug pushers or sellers. Any student who gives or in any way transfers or aids and abets in the transfer of a controlled substance to another person or sells or manufactures or aids and abets in the sale or manufacture of a controlled substance while on Forsyth Tech premises will be subject to disciplinary action up to and including suspension from school.
2. The term "controlled substance" means any drug listed in the North Carolina General Statutes or 21 U.S.C. subsection 812 and other federal regulations. Generally, these are drugs

which have a high potential for abuse. Such drugs include, but are not limited to, heroin, marijuana, cocaine, PCP, and "crack." They also include legal drugs which are not prescribed by a licensed physician.

3. The counseling staff will conduct drug awareness and education workshops for students each semester. Individual counseling sessions and educational materials will be available in the Counseling Center at all times.
4. The counseling staff will include in orientation sessions reference to drug policies, drug awareness, and sources for assistance.
5. The counseling staff will be available to lecture and assist instructional staff with class presentations to help educate students regarding the health risks of alcohol and drug abuse.
6. The counseling staff will have available referrals for treatment and more extensive assistance.
7. The counseling staff will biennially assess the institutional environment by reviewing data from public safety, the Counseling Center, instructors, and other community resources to guide educational program development for students.

Crime Awareness and Campus Security Act

Staff, faculty, and students of Forsyth Tech are encouraged to report all criminal actions and other related emergencies to the Public Safety Office, located in the Carolina Annex, Main Campus. A special emergency number has been established. Staff, faculty, and students may dial extension 7325 from any campus telephone (excluding public pay telephones) and receive immediate assistance. Pay telephones provided throughout campus locations are available for students to dial 911 for immediate assistance. In addition, the college has installed red emergency phones throughout the campus. Upon picking up the receiver, the phone automatically dials the 7325 emergency number.

Upon receipt of a complaint, a public safety officer is assigned to the case. The complaint is documented, investigated, and processed by the investigating officer. If necessary, or where appropriate, an outside agency such as the Winston-Salem Police Department is contacted for assistance. Other staff of the college, such as the dean of curriculum development, may also become involved where appropriate.

All complaints are reviewed and, where appropriate, action is taken by the director of

public safety. Further review and action may occur up through the chain of command, including the president and board of trustees.

A public safety officer is on duty at all times regular classes are in session.

Computer Software Copyright Policy

Forsyth Tech purchases licenses for use of a wide variety of copyrighted computer software. The college does not own the copyright on this software or its related documentation and, unless authorized by the software developer or publisher, does not have the right to reproduce it.

According to the United States Copyright Law, illegal reproduction of computer software can be subject to civil damages up to \$100,000 and criminal penalties including fines and imprisonment.

Forsyth Tech does not condone the illegal duplication of computer software or the use of illegally duplicated software. College employees and students shall use computer software only in accordance with its licensing agreements. Any employee or student who makes, abets, or uses unauthorized copies of computer software shall be subject to disciplinary action.

students who spark interest in student life through campus networking, personal growth, and service to the community. Applicants are selected for their high scholastic achievements and communication skills. Ambassadors become proficient in meeting people and in the organizational, time management, planning and leadership skills that will help them in their chosen fields. Applicants who are accepted into the fraternity discover a relaxed, yet disciplined, fellowship that encourages growth. Ambassadors have the opportunity to lead such events as the Angel Tree Project, and many other service projects for the benefit of the college and community.

Flight Line Program

The Flight Line Program is a process by which students can track their time spent in leadership efforts within the Student Government Council (SGC). This program allows students to have a tangible record of these efforts, which also indicates to the entire institution the work that is being done by members of the SGC. In addition, the program serves as an "extracurricular transcript" for students to utilize as they seek further education or employment. In this program, students will keep track of how many hours they spend in areas of campus service, community service, and other projects during a semester. At the end of each semester, students are given awards based on how many hours were recorded. The flight metaphor represents the potential we all have to soar above our limitations and exceed our expectations. Thus, Flight Line awards are named for pioneers of flight such as the Wright Brothers, Chuck Yeager, and Ronald McNair.

Membership Requirements

If you are interested in one of the student government programs, you must:

1. Check your cumulative grade point average (GPA).
 - Ambassadors are required to maintain a 3.0 GPA.
 - Student Government Council members must maintain a 2.5 GPA.
2. Be registered for the correct number of credit hours.
 - Student Government Council members must be registered for one credit hour per semester.
 - Ambassadors must be registered for at least six credit hours per semester.

3. Complete a Student Government Council Application, which can be obtained in the Student Activities Center, lower level, Snyder Hall, Main Campus.

Student Government Association (SGA)

The Student Government Association is composed of all current Forsyth Technical Community College students and is served by the Student Government Council (SGC). The SGC consists of the student government officers, Alpha Mu Beta fraternity members, and other SGC representatives. Participating students are people who are interested in developing leadership skills to be used in their careers in business, industry, or government. Students learn to work together to accomplish a wide range of projects that have a high impact on the college and community.

Student Government Council (SGC)

The Student Government Council (SGC) is intended to be a laboratory of development for motivated students. People who get involved find themselves learning, growing, and doing things they never thought they could do. This is a program in which students can test their education, experiment with social and group dynamics, and make positive personal changes without fear of criticism.

The SGC with the Student Activities Center's staff manages the student activities budget and meets in business sessions. During the meetings, the members address student issues and plan and produce student activities such as Fall Festival, Spring Fling, Martin Luther King Jr. Celebration, blood drives, leadership workshops, and other projects. During meetings and projects, students learn and practice parliamentary procedure, group skills, teamwork, project management, and gain the experience of getting things done in a large institution. Some students choose to work with the budget, practice secretarial skills, or do advertising, student publications, and other public information duties. The SGC also represents the student body to the college administration. The SGC president serves on the Forsyth Technical Community College board of trustees as a nonvoting member and reports to the SGC about board activities when appropriate. The SGC also serves as a vehicle of communication to the students for the administration. Members of the SGC attend statewide conferences approximately twice a year. During the conferences, students meet student leaders from community colleges across the state. They have an opportunity to share ideas and concerns, and learn leadership skills in workshops.

Alpha Mu Beta

Alpha Mu Beta is the service fraternity of the Student Government Council (SGC). Known as Ambassadors, they are a high profile group of

- Ambassadors must have the application signed by a faculty or staff member.

4. File the application.

- Take your application to the Student Activities Center, lower level, Snyder Hall, Main Campus or mail it to: Student Activities Center, Forsyth Technical Community College, 2100 Silas Creek Parkway, Winston-Salem, NC 27103.

Interview Process

Students who apply for a position in the SGC must undergo an interview process. The program's advisor or a SGC representative will call applicants to set up interview appointments. All applicants must be interviewed by the membership committee and the student government advisor.

All SGC candidates are required to complete an orientation program. Details of the orientation program can be obtained from the student government advisor.

Student Activities and Athletics

Forsyth Tech strives to offer its students more than just an academic education. Efforts are made to provide students with extracurricular opportunities for involvement that will help to educate the total individual. By providing extracurricular activities, Forsyth Tech recognizes that a college education includes social, professional, and cultural involvement, as well as academics. Students are invited to come by the Student Activities Office, lower level, Snyder Hall, Main Campus, to find out more about what Forsyth Tech has to offer outside the classroom.

All curricula students pay the student activity fee when they register and automatically become members of Forsyth Tech's Student Government Association. Though called an activity fee, it is used for more than just providing activities. Below is a list of expenses covered by the student activity fee.

1. Graduation expenses are partially covered. It costs over \$25 per student to hold a graduation ceremony. Currently, students pay a graduation fee of \$10 for each diploma received.
2. Student activities and entertainment such as the Fall Festival, Spring Fling, Martin Luther King Jr. Celebration, and Night Student Appreciation are free to students.

3. Student publications such as the **Student Handbook** and the student newsletter **Technically Speaking**.

The student newsletter, **Technically Speaking**, is published monthly. Students can become

involved in writing, photography, editing, desktop publishing, ad solicitation, and paper distribution. A student who is interested in becoming a newsletter staff member or a freelance contributor to the publication should contact the Student Activities Office.

The purpose of the student newsletter is for students to prepare and organize a publication that benefits other students. The responsibility of the institution is to provide guidance to the students and funding for the printing of the newsletter. An English instructor and the director of student activities serve as co-advisors of the paper. Funding comes from the student activities budget. All student communications shall explicitly state that the opinions expressed are not necessarily those of the college or of its students.

Another student publication is the online literary e-zine, **The Wheel**, which is available through the Forsyth Tech web site. Monthly literary contests are open to anyone in the Forsyth Tech community, including alumni. These winners are eligible for monetary prizes in the spring contest and will also have their contributions published in the hard copy of the literary magazine **The Wheel**.

4. Athletic teams participate in men's basketball, coed cheerleading, women's volleyball, and women's fastpitch softball with other community colleges. Equipment and registration fees are paid out of the student activity fee budget. Golf tournaments, bowling leagues, and a putt-putt tournament are also offered every year to students at a greatly reduced price.

5. All Student Government Association expenses are paid out of student activity fee funds. Expenses include the student activities director's and secretary's salaries, supplies and materials for the Student Activities Center, and all SGA printing expenses.

6. Attendance at SGC conferences is a major expense of the SGA. Forsyth Tech is a member of the North Carolina Comprehensive Community College (N4C) Student Government Association. The N4C SGA offers two conferences each year. These conferences offer workshops and seminars to prepare students to lead the SGA on their campuses.

The Forsyth Tech men's basketball team is a member of the National Junior College Athletic Association (NJCAA). The women's volleyball team will join the NJCAA in the fall of 2002. An intercollegiate athletic team is also offered in women's fastpitch softball. Interested students should contact the

CONSTITUTION

Forsyth Technical Community College Student Government Association

PREAMBLE

We, the students of Forsyth Technical Community College, in order to promote the philosophy of the College, which encourages the development of its students as total persons, and in order to serve the students of our educational institution by providing leadership and opportunity for participation in a wide range of programs and activities, do establish this constitution with the approval of the president of Forsyth Technical Community College.

ARTICLE I: NAME

The name of this organization shall be the Student Government Association of Forsyth Technical Community College, hereafter referred to as the SGA. The governing body of the SGA shall be called the Student Government Council, hereafter referred to as the SGC.

ARTICLE II: OBJECTIVES

- Section 1. To encourage an interest in our campus, college activities, and student body concerns.
- Section 2. To promote a mutual respect among the administration and the student body.
- Section 3. To recommend student activity fees and develop a budget for the financial support of such activities and the SGC expenses that are compatible with the general welfare of the student body and with the purpose of the College, and to approve all expenditures of the student activity budget.
- Section 4. To make recommendations to the president and the student activities supervisor, hereafter referred to as the SAS, of Forsyth Technical Community College, concerning matters affecting the student body.
- Section 5. To recommend and sponsor student activities and programs in cooperation with the SAS.

ARTICLE III: COMPOSITION

The Student Government Council shall be composed of seven representatives from each instructional division. Subsequently, the candidate shall be

interviewed by the SGC interview committee, SAS and appropriate divisional dean for approval. Seats left open from any division shall be filled from the pool of applicants.

- Section 1. Representatives shall be enrolled in and actively attending at least one credit hour each semester and shall have paid the student activity fee.
- Section 2. Representatives shall maintain at least a 2.5 grade point average.
- Section 3. A president, vice president, and secretary, shall be elected from the representatives to the SGC by the student body no later than the last day of classes each spring semester. A treasurer, public information officer, and a parliamentarian shall be elected by vote of the SGC representatives.
- Section 4. Elected officers shall serve one academic year beginning the last day of classes of each spring semester unless impeached.
- Section 5. The representatives' term of office shall be limited only by probation, impeachment, graduation, or voluntary withdrawal.
- Section 6. The SAS shall be the senior advisor to the SGC.

ARTICLE IV: MEETINGS

- Section 1. The SGC will meet with the SAS on a bimonthly basis.
- Section 2. By majority vote, the SGC may elect to become inactive during summer term.
- Section 3. Meetings are the second and fourth Monday of each month and open to any student, staff member, board member or alumni wishing to attend.
- Section 4. The president of the SGC, the SAS, or the president of the college may call a special SGC meeting should the need arise.
- Section 5. A two-thirds majority of the active membership shall constitute a quorum.
- Section 6. A majority of one passes a vote. The president shall vote only to break a tie.
- Section 7. Voting by proxy shall be allowed only if approved in advance of a meeting by the SGC president and SAS. The representative requesting to vote by

proxy shall submit the request in writing to the SGC President no later than 24 hours prior to a scheduled meeting. The request should name a designated representative to carry the vote for the requesting member and this action should be noted in the minutes of the meeting. No voting by proxy shall be allowed for new business.

- Section 8. Motions passed by the SGC shall be subject to review and remand by the SAS.

ARTICLE V: DUTIES

Section 1. The president shall:

- A. Call and preside at all SGC meetings.
- B. Be a nonvoting member of Forsyth Technical Community College board of trustees,

and attend all board meetings and as many committee meetings as possible. No delegate may be sent in the president's place.

- C. Appoint special committees or positions as the president or the SGC deems necessary, except vacancies on the SGC.
- D. Have the power to act in the absence of the SGC representatives when in the interest of the student body.
- E. Represent the SGC in all relations with school officials and with other institutions.
- F. Submit to the SGC such recommendations as deemed necessary either in writing or in person.

Section 2. The vice president shall:

- A. Be an assistant to the president and assume the duties of the president in the president's absence.
- B. Assume the duties of the president should the president resign.
- C. Oversee all committees of the SGC and serve as an ex-officio member of these committees unless appointed as an official committee member.
- D. Assist in all other areas as requested by the president.

Section 3. The secretary shall:

- A. Maintain and distribute the minutes of all meetings of the SGC.
- B. Maintain attendance records of all meetings, activities, and projects to be reviewed with the SAS.
- C. Coordinate all incoming and outgoing correspondence.
- D. Be responsible for reminding all representatives of meetings.
- E. Assist in all other areas as requested by the president.

Section 4. The treasurer shall:

- A. Maintain the financial reports of the SGC.
- B. Assist the SAS in maintaining the inventory of all equipment and materials owned by the SGC.
- C. Submit a financial report at all regular meetings of the SGC.
- D. Serve as chairperson of the budget committee.
- E. Assist in all other areas as requested by the president.

Section 5. The public information officer shall:

- A. Maintain student information outlets, i.e., bulletin boards, marquee, newsletter, etc.
- B. Serve as liaison to the *Technically Speaking* staff.
- C. Serve as chairperson on the poster and publicity committee.
- D. Assist the Alpha Mu Beta scheduling coordinator in advertisement and in the recruiting of the volunteer pool.
- E. Assist in all other areas as requested by the president.

Section 6. The parliamentarian shall:

- A. Guide the SGC in matters of parliamentary procedure.
- B. Shall advise the president in matters regarding the SGC constitution.
- C. Shall be available to any club or other organization on campus for instruction on parliamentary procedure.
- D. Shall review all student organization constitutions and present them to the SGC for approval and maintain a file of all student organization constitutions.
- E. Shall chair the SGC interview committee.

Mother's Day																														

(Constitution continued)

Section 7. All representatives, including those holding office, shall:

- A. Not miss more than three regular meetings and one called meeting of the SGC per semester. No more than two meetings may be missed in a row.
- B. Participate in at least 75 percent of all SGC projects and activities.
- C. Serve on at least one committee, and miss no more than two regular committee meetings per semester.
- D. Conduct themselves in a manner that is not detrimental to the student body, school, or community.
- E. Student Government Council representatives who miss more than the maximum allowed meetings will be subject to examination by a review committee. (See Article X, Section 4.)
- F. Be subject to one semester probation for dropping below GPA requirements.

ARTICLE VI: COMMITTEES

Section 1. Standing committees shall include:

- A. budget,
- B. poster/publicity,
- C. Flight Line,
- D. interview committee, and
- E. all other committees deemed necessary by the president.

Section 2. Inactive committees shall include:

- A. All committees not meeting on a regular basis.

Section 3. Members of committees shall:

- A. Serve as chairperson of no more than one standing committee at a time.
- B. Serve on no more than three standing committees at a time. (The SGC vice president shall serve as an ex-officio member of all committees.)

ARTICLE VII: VACANCIES

Section 1. Upon the resignation of the president, the vice president shall fill the office of president for the remainder of the president's term.

Section 2. Upon the resignation of any other officer, the vacancy shall be filled for the remainder of the term by vote of the SGC.

Section 3. Vacancies of a member shall be filled as expeditiously as possible. The selection process shall be the same as for the composition of the SGC.

ARTICLE VIII: ALPHA MU BETA FRATERNITY

Alpha Mu Beta (AMB) Fraternity shall be the service arm of the Student Government Council. Members will be known as Ambassadors.

Ambassadors shall serve as representatives of Forsyth Tech, the student body, and the SGC at various events both on and off campus. AMB will be responsible for volunteer programs off campus and for establishing a pool of students to staff these events.

ARTICLE IX: GRIEVANCE PROCEDURES

Section 1. Anyone who wishes to file a formal complaint concerning SGC procedures, officers, or representatives should send a written complaint to the president or highest uninvolvement officer and SAS.

Section 2. The grievance will then be reviewed by the officer and the SAS and may be brought before the SGC unless the grievance is of a personal nature.

Section 3. Action on any grievance is subject to review and remand by the president of Forsyth Technical Community College.

ARTICLE X: IMPEACHMENT

Section 1. A representative is eligible for impeachment by committing any one or combination of the following:

- A. Does not have reasonable excuses for prolonged absences of those detailed in Article V, Section 7, items A, B and C.
- B. Does not perform the duties as assigned in the constitution.
- C. Exhibits conduct unbecoming an SGC member.
- D. Academic probation by Forsyth Tech.

Section 2. A formal written complaint must state the reason for impeachment. A copy must be sent to the SAS and the highest uninvolvement officer or representative.

Section 3. The SAS and the uninvolvement highest officer or representative, plus the SGC representative of longest tenure, will constitute the review committee.

Section 4. The review committee will review the formal complaint with the representative within ten days. If the complaint is found to be valid, the review committee may place the representative on probation or call for impeachment proceedings by the SGC.

Section 5. The review committee must call a special meeting of the SGC for impeachment proceedings.

Section 6. The impeachment proceedings will be held as follows:

- A. Reason for dismissal will be read.
- B. The highest uninvolvement officer will substantiate the reason for dismissal.
- C. The representative will explain the reason for his actions and may present any witnesses he deems necessary.
- D. A vote will be taken and the majority will rule.

ARTICLE XI: AMENDMENTS

Amendments to this constitution shall be proposed by a representative of the SGC or the SAS at a meeting. Such amendments shall become a valid part of this constitution when approved by two-thirds of all members at a duly announced meeting and approved by the president of Forsyth Technical Community College. Voting on such amendment may not occur during the same meeting in which amendments were proposed.

ARTICLE XII: BY-LAWS

The SGC shall establish and maintain by-laws for the purpose of instituting rules and procedures of administration and operation of the SGA.

Amendments to the by-laws shall be valid when approved by a two-thirds majority vote of the SGC and approved by the SAS. Voting on such by-laws may not occur during the same meeting in which the by-laws were proposed.

For more information about joining the Forsyth Technical Community College Student Government Council, see page 23, call (336) 734-7326 or (336) 734-7509, or e-mail ewaddell@forsyth.cc.nc.us.

Meet **Technical Tiger**, the official mascot of Forsyth Technical Community College. The idea for **Technical Tiger** was developed by the Forsyth Tech student activities staff and given to Winston-Salem artist **Clell H Harris**. The board of trustees officially adopted the mascot on **Thursday, April 20, 1995.**

- 1) Any use of the character must be approved by the Student Government Association.
- 2) **Technical Tiger** may not be used for profit by any private company or individual unless licensed by the SGA and the artist.

An Equal Opportunity Educational Institution

Forsyth Technical Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; Telephone number 404-679-4501) to award Associate in Applied Science, Associate in Art, and Associate in Science degrees.

15,000 copies of this public document were printed with student activity funds by authority of the Student Government Association at a cost of \$7,500.00 or 50¢ per copy.
